● OPERATING FUND DU JOUR

Fund warms the whole table.

● TASTING TRAY

Each year, some worthwhile grant
requests go partially unfunded. Ask us
for the Tasting Tray list in June or
December to help finish a good idea.

MAIN COURSE

Hearty, sustaining ways to nourish the community you love

● FAMILY STYLE PLATTER

Create a charitable fund called a Donor-Advised Fund that your
family can gather around. Make grants from the giving fund to
the causes you care about — and invite your kids and grandkids
to participate. It's a shared table that never empties.

LEGACY ROAST

Sustain the causes you love forever. Gifts to permanent
endowment funds at Heartland provide a predictable, ongoing
source of support for critical programs. Your gift grows with the
market and continues to give, long after today.

● FIELDS OF FLAVOR

Create a Field-of-Interest Fund that reflects your passion and
grows with the community. Invite others to contribute, honor a
loved one, or target an area. Your fund can be endowed for
lasting impact or invested for growth with flexible spending.

CAPITAL GAINS CASSEROLE

Donate appreciated stocks or securities and avoid paying
capital gains tax, while receiving a charitable deduction for the
full market value. This lets you make a larger impact with assets
that have grown over time.

RETIREMENT ROULADE

Direct gifts from IRAs or other retirement accounts can reduce
taxable income and satisfy required minimum distributions,
helping you give more strategically while supporting causes.

● HARVEST HERITAGE

Preserve the story of your land and keep it working for good.
Instead of selling to outside buyers, you can donate farmland for
us to steward in your name. We continue farming it, directing
the proceeds to the charitable priorities you choose —
sustaining both your legacy and the land for the future.

SCHOLARSHIP SPECIAL

Serve up opportunity. A scholarship fund helps local students
take the next step on their journey — whether that's college,
trade school, or certification. A generous "you've got this" that
goes beyond the application form.

COMMUNITY POTLUCK

Contribute alongside other donors to support Special Project
Funds that impact everyone. Everyone brings what they have.
Everyone benefits. Ask staff for a list of current projects.
