# Our Mission

is to help people invest in meaningful ways to make a difference in the community by building permanent endowment funds and meeting charitable community needs.

## DIRECTOR'S LETTER

We find ourselves in interesting times, as the saying goes. The founding donors of Heartland Community Foundation (HCF) could not have foreseen the unprecedented times we find ourselves in, experiencing the effects of a global pandemic.

Early 2020 started off strong as ever with the HCF board of directors again charging forward toward a goal of building endowed funds through the Twice As Nice campaign. That campaign raised in excess of \$300,000! The amount included the very generous match of the Dane G. Hansen Foundation. Assets of Heartland Community Foundation have now reached \$4,038,046.70. Twice As Nice, in partnership with the Dane G. Hansen Foundation, is now in its fourth year and has raised at total of \$1,313,853.54 in Ellis, Rooks and Trego counties, an amount that will forever impact the charitable needs of our communities. These funds are now more important than ever, in the wake of COVID-19. These Legacy Fund endowed dollars will provide on-going support to the many needs of our region.

The founding donors of Heartland Community Foundation had a vision. That vision looked well into the future with an understanding of the needs of our rural communities. This vision has come to fruition as the result of the on-going partnership of the Dane G. Hansen Foundation, along with the relationship we have built, and are continuing to build, with donors inside and outside our immediate area.

With the Hansen Foundation annual grant dollars, Heartland Community Foundation is able to award over \$300,000 in much needed grants in our three counties annually. However, many worthy causes remain unfunded. That is why, with the continued generosity of our local donors as well as the matching power of the Hansen Foundation, the foundation will continue to play a greater roll in the many charitable causes in Ellis, Rooks and Trego counties. The HCF Board remains committed to this vision and continues to press forward into this new era, continuing toward our goal of growth and service to improve the quality of life in all three counties we serve.

## TWICE AS NICE SUCCESS

Through a month-long gift matching initiative in February, the community foundation raised \$391,356 including matching funds for community grants and operations. During Match Month, donors make gifts to the community foundation to support community grants. These gifts are then matched at 150% by the Dane G. Hansen Foundation. Over the last four years, Twice as Nice has raised \$1,353,545

# Planning Today to Give Tomorrow

**Supporting your community, organizations, and causes you care about is an important part of your life and core values.**

What if you could continue to provide donations to those organizations after your lifetime? What if you left something meaningful to the charities that you are most passionate about?

**Create your legacy through your will!**

Including the community foundation in your will or trust is a simple, significant way to support one or many causes close to your heart, forever.

When you make a planned gift to the community foundation, you plant an investment that will continue to **grow over time** and benefit your community, far beyond your lifetime!

**It's easy and anyone can do it.**

Giving through your will is easy and you don't have to be wealthy to do it. Whether your nest egg is large or small, your gift will ensure the good work of charitable organizations continues in your name (or anonymously).

**To learn more about leaving a gift in your will or trust, contact your professional advisor or call us!**

# STOCKTON'S NEW SCOREBOARD

Stockton Recreation Commission (SRC) is the host to numerous softball and baseball tournaments during the spring, summer and fall months. With tee-ball, slow pitch, or the occasional kickball game, Stockton families live at the ballfields. The fields hadn't received an update in over 20 years. Because the scoreboard did not work, hosting teams at the fields wasn't an option. Thanks to support from the Heartland Community Foundation, the recreation commission was able to replace the scoreboard before the season.

"We are so excited to utilize our new scoreboard for the upcoming season," said grantee Aftan Lambert. "Now with both our main fields having first rate scoreboards, SRC can now turn our attention to upgrading the fields themselves. Slowly, SRC hopes to completely renovate our ball complexes to provide the fields our community deserves."

# HIGH SCHOOL SEATING UPDATES

The desks at Plainville High School were in need of an update, not only to give students more work space, but to also make them more comfortable. Heartland Community Foundation awarded USD 270 a grant to purchase spacious tables and chairs for students.

"My classroom was the first to receive the new tables and chairs, and the students were thrilled," said grantee Amy Krob. "They are now able to have their own individual space with enough room to house a textbook, notebook, and computer in front of them all at the same time. The teachers are thrilled as well now that we can have equal seating for all body types and abilities. Thank you for supporting the students of USD 270."

## PEDAL CART FOR VIA CHRISTI

The Heartland Community Foundation awarded Learning Cross Preschool a grant to purchase a four-person pedal cart. "Driving is a responsibility, a gift, it's independence, a gateway to adventure, it's freedom," said grantee Brett Schmidt. Studies have shown that after losing driving privileges, cognitive function and physical mobility decline more rapidly. "We aim to assist the current and future residents of Via Christi in their battle of losing their freedoms, becoming isolated, and declining in health," Schmidt said.

The children of Learning Cross interact and learn from their grandfriends, becoming connected while contributing to the larger community. With the new cart funded by Heartland County Community Foundation, residents are able to go out with staff for 20-30 minute drives, with and without children. Daily conversations and overall mood for the residents have improved with this small change. "This cart, big and bright orange, has delivered a lot of smiles and memories, and will continue to once the COVID-19 restrictions are lifted for the residents," said Schmidt. "One resident, was able to drive out and tell the staff and kids about her time raising her family in the area and pointed out some of the trees that she and her husband helped plant in the neighborhood. Amazing!"

## NEW REGULATION ROOM FOR SCHOOL

"With behavior trends at the highest in years, it is important to teach our students how to cope with big emotions and teach them strategies for success outside of their school years," said Kaci Nichols, Stockton Jr. High/Grade School counselor. Creating a safe place for students to release frustrations and physical feelings provides a space for learning and self-discovery. HCF awarded USD 271 a grant to support a new regulation room at the Stockton school.

"This grant helped effectiveness and impact because it allowed us to purchase regulation furniture, tools, and create a space that students feel safe to be themselves in," said Nichols. "When learning how to deal with emotions, it can be messy so having a calm space to learn in is so crucial."

## COUNTRY LANE APARTMENTS

Many of the residents at the Country Lane Apartments in Plainville are elderly or disabled and on social security income. They struggle to afford to live in a home in which they are also responsible for its maintenance. It is important that the housing is comfortable, attractive and efficient for the residents. "The population is aging here in Plainville at the same fast pace as the rest of the state," said Karen Sinclair. "It is anticipated the waiting list will grow in the next few years." This low-income housing with 24 units was completed in August of 1978, financed with a 50-year loan from the USDA and has had no upgrades.

Heartland Community Foundation awarded the Housing Authority of Plainville a \$10,000 grant to replace the storm doors on 24 resident apartments. These doors were the first step to the upgrades at the apartments. "This project has ended with 21 residents very happy and a cleaner look to the facility. Thank you," said Sinclair.

# GIVE. GROW. GRANT.

By creating a permanent fund at the community foundation, you can accomplish your charitable goals, now and forever. As your partner in giving, we will always take special care to honor your wishes and protect your gift's value.

Your gift to the community foundation will grow over time, just like a tree! Whether you plant a seed by starting a new fund or help a fund grow by giving to an existing fund, every gift to the community foundation helps provide "fruit" for the community through grants and scholarships.

**Today...**  
You decide to make a permanent gift of **\$10,000**.

**After 15 years...**  
Your gift has grown to **\$15,000** and given **\$10,000** to charity.

**After 25 years...**  
Your gift has grown to **\$18,600** and given **\$19,000** to charity.

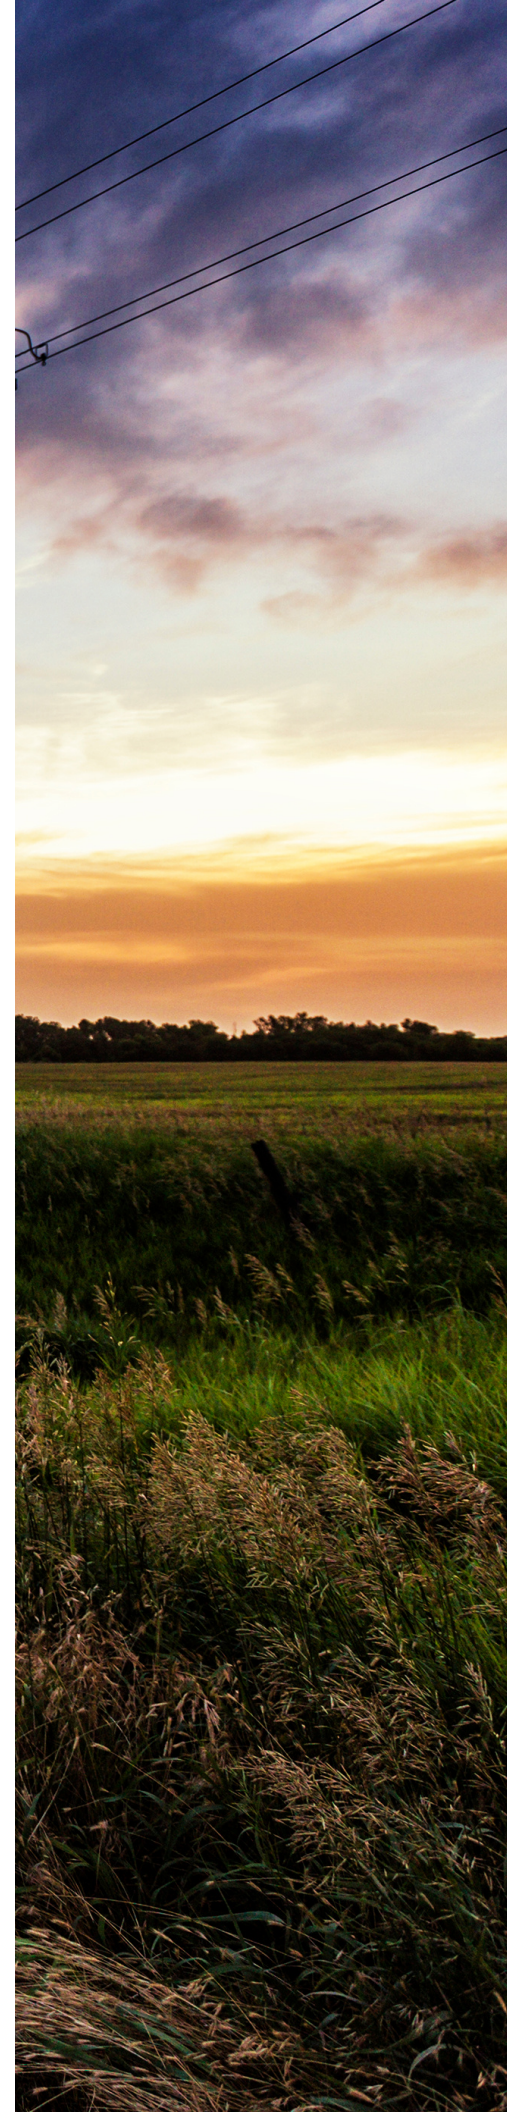

**After 50 years...**  
Your gift has grown to **\$51,000** and given **\$35,000** to charity.
